Objective A position as a graphic designer that utilizes my branding, print and digital design capabilities.

Summary of Qualifications Three years as a graphic designer in a collaborative studio environment.
Bachelors degree in Graphic Design and Art History from Western Washington University.

Demonstrated ability to produce a wide variety of graphic products including identity systems, business collateral, magazines, websites, event graphics and advertising campaigns.

Strong communication skills and ability to consistently meet deadlines.

Related Experience

Graphic Design

Responsible for carrying advertising campaigns from concept to completion—including posters, billboards, brochures and other collateral.

Developed corporate logos and branding systems, including print and digital media.

Designed multiple page documents such as newsletters, catalogs, magazines and annual reports.

Designed multiple websites while working closely with the developer to ensure visual integrity and usability.

Design Production

Served as a production artist for 1 year, during which I was responsible for detail-oriented file prepping, prepress, press checks and limited vendor management.

Client Communication

Presented design work and branding concepts to clients and worked closely with account managers to communicate market research and design rationale.

Problem-solved to effectively meet deadlines.
